

TIMOTHY

CHRISTIAN SCHOOL

Math Teacher

Job Description

The teacher will strive to equip students to live productive, God-glorifying lives through the implementation of the school's curriculum. Most importantly, the teacher serves as the living curriculum by acting as a godly role model in Christian thought and action. The teacher, in partnership with parents, will utilize various methods of instruction and assessment to enable students to learn. This position would teach varied of math courses ranging from Pre-Algebra to Calculus/Statistics. The courses depend on the scheduling need.

Job Requirements

- The teacher must have received Jesus Christ as his/her Savior and believe that the Bible is God's Word and standard for daily living.
- The teacher shall support the doctrinal position of TCS and will abide by the Standard of Conduct.
- The teacher shall be in fellowship with a local church that has a doctrinal position consistent with that of TCS and support its ministry through regular attendance and participation.
- The teacher must hold a minimum of a Bachelor's degree and opened to get their ACSI certifiable in their related teaching area.
- The teacher shall see teaching as a "calling" from God and agree with the school's philosophy of education and instruction.

Qualifications
