

Recommended Reading List for Students Entering Fifth Grade – 2018

Reading in the summer is very important! It can help build vocabulary and strengthen reading skills as well as help gain knowledge. I have recommended some titles that I have read recently. Feel free to choose others that you choose from home or your library.

Recommended titles and series are available in most public libraries and in our TCS library. The **TCS library will be open most Wednesdays throughout the summer from 10 AM – 2 PM.** Titles listed with an * in front are from Christian authors. Students are encouraged to record their reading using the **Biblionasium.com** website where they can add books they have read to their virtual book shelf. Students can also write a brief book review on that site. **Students who read at least 6 books and add them to their shelves and then write a book review for at least two of them will be included in our Summer Reading Celebration in September.**
