

Extended Care (before and aftercare)

Families must register their child(ren) for The TCS Extended Care program. Registration helps us plan activities and staffing for the number of students needing extended care services.

The school day ends at 2:45pm. Students must go directly to aftercare if not being picked up or participating in sports or clubs. For safety reasons, students will not be allowed to “hang out” on campus where there is no adult supervision. If your child does not participate in sports, they will not be allowed in closed practices.

Students will be signed into aftercare by a staff member. Parents/guardians or other approved pick-up person will sign students out by entering their ID number into the Drop Off/Pick Up Kiosk. ID numbers will be provided at the start of the school year.

A red-bordered input field is labeled 'ID #' with a red asterisk and a red error message below it that says 'Please enter your ID #'. A 'NEXT ->' button is located to the right of the input field.

After entering the number, a list of students the pick-up contact is responsible for displays. Select the students being picked up and click **Submit**.
