Asthma Treatment Plan – Student Parent Instructions

The **PACNJ Asthma Treatment Plan** is designed to help everyone understand the steps necessary for the individual student to achieve the goal of controlled asthma.

- 1. Parents/Guardians: Before taking this form to your Health Care Provider, complete the top left section with:
 - Child's name
- Child's doctor's name & phone number

• Parent/Guardian's name

- Child's date of birth
- An Emergency Contact person's name & phone number
- & phone number

- 2. Your Health Care Provider will complete the following areas:
 - The effective date of this plan
 - The medicine information for the Healthy, Caution and Emergency sections
 - Your Health Care Provider will check the box next to the medication and check how much and how often to take it
 - Your Health Care Provider may check "OTHER" and:
 - Write in asthma medications not listed on the form
 - ❖ Write in additional medications that will control your asthma
 - * Write in generic medications in place of the name brand on the form
 - Together you and your Health Care Provider will decide what asthma treatment is best for your child to follow
- 3. Parents/Guardians & Health Care Providers together will discuss and then complete the following areas:
 - . Child's peak flow range in the Healthy, Caution and Emergency sections on the left side of the form
 - · Child's asthma triggers on the right side of the form
 - <u>Permission to Self-administer Medication</u> section at the bottom of the form: Discuss your child's ability to self-administer the inhaled medications, check the appropriate box, and then both you and your Health Care Provider must sign and date the form
- **4. Parents/Guardians:** After completing the form with your Health Care Provider:
 - Make copies of the Asthma Treatment Plan and give the signed original to your child's school nurse or child care provider
 - Keep a copy easily available at home to help manage your child's asthma
 - Give copies of the Asthma Treatment Plan to everyone who provides care for your child, for example: babysitters, before/after school program staff, coaches, scout leaders

PARENT AUTHORIZATION I hereby give permission for my child to receive medication at school as prescribed in the Asthma Treatment Plan. Medication must be provided in its original prescription container properly labeled by a pharmacist or physician. I also give permission for the release and exchange of information between the school nurse and my child's health care provider concerning my child's health and medications. In addition, I understand that this information will be shared with school staff on a need to know basis.								
Parent/Guardian Signature	Phone	Date						
STUDENT AUTHORIZATION FOR SELF ADMINISTRATION OF ASTHMA MEDICATION RECOMMENDATIONS ARE EFFECTIVE FOR ONE (1) SCHOOL YEAR ONLY AND MUST BE RENEWED ANNUALLY I do request that my child be ALLOWED to carry the following medication for self-administration								
in school pursuant to N.J.A.C:.6A:16-2.3. I give permission for my child to self-administer medication, as prescribed in this Asthma Treatment Plan for the current school year as I consider him/her to be responsible and capable of transporting, storing and self-administration of the medication. Medication must be kept in its original prescription container. I understand that the school district, agents and its employees shall incur no liability as a result of any condition or injury arising from the self-administration by the student of the medication prescribed on this form. I indemnify and hold harmless the School District, its agents and employees against any claims arising out of self-administration or lack of administration of this medication by the student.								
☐ I DO NOT request that my child self-administer his/her asthma medication.
