

The TCS STEM Scholars Program is a rigorous academic program for high school students interested in STEM fields. The curriculum includes research and engineering classes, Advanced Placement courses, and dual-enrollment courses with coordinated university credits to provide rigor and college/career readiness. The students are placed in an internship in a STEM field during their senior year.

Students will discover how to integrate their Christian faith into each STEM area so that they will be prepared to be lights for Jesus Christ in any career.

Thank you for being part of the eleventh annual Timothy
Christian School Golf Classic, a community-building event that
celebrates the vision of Timothy Christian School and benefits
athletics, student programs and tuition assistance. Your
participation today is helping educate and equip our children to
live productive, God-glorifying lives. It is a joy and a privilege
to partner with you!

Thank you to all our sponsors, golfers, and volunteers who have made this day possible.

We are grateful to God for each and every one of you.

~Philippians 1:3

HOW TO LIVE SCORE WITH THE GOLFSTATUS APP

1. Download the GolfStatus App

- 2. Find your live scoring code (on your scorecard, cart sign, or confirmation email)
- 3. Join your event from the app's home screen or tap Join by Code and enter your live scoring code.
- 4. Tap your name (or the player you're replacing) then Sync. Tap Play Round to start your round.
- 5. Tap the box next to your team to enter your score, then swipe to the next hole.
- 6. Tap Finish & Submit to review your score, then tap Submit to finish your round.

LIVE SCORING PRO TIPS

- · Download the app before you arrive at the golf course for your event to save time.
- · Use the app's GPS for accurate yardage to the pin, front and back of the green, and any hazards.

Track the event's standings on live leaderboards.
