

AP Computer Science Principles (TEC-520)

To complete these assignments, please send an email to jcarr@timothychristian.org and he will create an account for you on Codio so that you can use these resources and begin to learn Python. All assignments are due by August 31, 2026.

Assignment 1:

- A) Read "Blown to Bits Your Life, Liberty, and Happiness After the Digital Explosion" by Hal Abelson, Ken Ledeen, and Harry Lewis. This article is located on Codio in Unit 5, Chapter 2. You can also access this article on-line from other resources.
- B) Write a three-page paper, with citations, about the "Digital Explosion". You should cite sources outside of the book found on Codio. This needs to be typed, double-spaced in 12 point Times New Roman font.

Assignment 2:

- A) Complete the Python Bootcamp in Codio, sections PB.1 through PB.13. It is the unit between Unit 3 and Unit 4.
- B) We will take the Unit test the first couple of weeks of class.
