

TIMOTHY
CHRISTIAN SCHOOL

Extended Care (before and aftercare)

The TCS Extended Care program does not require pre-registration. The school day ends at 2:45pm. Students who are not picked up by 3:00pm (or not participating in sports or clubs) must go directly to aftercare, which is located in building 7. Elementary students will be in the cafeteria, and middle school and high school students will be in room 72.

For safety reasons, students will not be allowed to “hang out” on campus where there is no adult supervision. If your child does not participate in sports, they will not be allowed in closed practices.

Students will be signed into aftercare by a staff member. Parents/guardians or other approved pick-up person will sign students out.

Dates and times students are signed in and picked up are automatically recorded. The Business Office will post charges to FACTS Incidental Billing weekly. Payments will be due 10 days from the date of charge. All FACTS Incidental Billing accounts must have Autopay Enabled.

Extended Care Times and Locations:
